No. 388.—The following amendments to Board's Standing Order No. 31 will be taken into consideration by His Excellency the Governor in Council after two months from the publication of this notification. Objections or suggestions relating thereto should be submitted to Government within that period.

Page 84, *Volume I, paragraph* 1 *of Standing Order No.* 31

Substitute the following for the paragraph :—

"*Object of Rules.*—The register of holdings kept in every village should, as far as possible, "show the names of persons who are the real owners or who, in virtue of their title, whatever its "nature, are in the enjoyment of the lands, and it is of great importance that the register should be "maintained accurately and up-to-date, as it is to the registered holder that the Collector must look "for the revenue from the land. The following rules are therefore laid down for regulating the "procedure to be adopted in effecting changes of registry in the revenue accounts when transfers of "landed property take place."

Pages 84 *and* 88, *Volume I, paragraph* 3 (*i*) (*a*) *of Standing Order No.* 31.

Substitute the following for the paragraph :—

"(i) *Absolute* (*a*).—In all cases of absolute transfer of title, the registry of a holding may "be altered to correspond with the transfer of its ownership on the application of both the parties

"to the transfer or either of them, provided that the application for change of registry is in every "case made in writing and is signed by the party or parties making it. It may be sent by post "or presented in person or by duly authorised agent. Where the application is sent by post, the "Revenue Inspector should make enquiry in the village and satisfy himself that the application "is genuine. It is left to the option of the parties to have the application attested by the karnam and "headman of the village in which the land is situated. Such attestation may be taken as evidence of "the identity of the party or parties. Where such an application is presented by both the parties and "one of them is the registered holder, change of registry as requested may be ordered at once. But "where only one of the parties to the transfer makes the application, notice should be served on the "other party through a peon or the village staff or by registered post where correct address is known. "If the address is not known, the registered letter may be directed to the last known place of residence "of the addressee. If personal service is not possible, service should be effected in the other ways pre-"scribed in section 25 of the Madras Revenue Recovery Act, 1864. Where the registered holder is not "a party to the transaction, notice should also be issued to him whether the application for transfer "of registry is presented by both the parties or one of them. Where only one party to the transaction "applies and the other either objects or is silent, the parties should be connected by a complete chain "of documents. When the chain is not complete it should be filled in by other evidence, such as "statements of respectable ryots, kist receipts, etc. A month's time should be allowed for filing "objections and if any objection is made, an enquiry should be held and unless the objection is "found to be valid transfer of registry should be ordered."

Page 83, Volume I, paragraph 4 (i) of Standing Order No. 31.

Substitute the following for the paragraph :—

"(i) *Transfers to shroff-holders.*—In cases of transfers of title of holdings in the name of decree-"holders with reference to a decree of a civil court or of purchasers in auction sales held in execution "of Civil Court decrees, change of registry may be ordered at once on the application of any of the "parties to the suit or of the auction purchasers and on the production of an authenticated copy of "the decree or a certificate of sale as the case may be, and a certificate of delivery of possession in "pursuance thereof provided the transfer is from the registered holder. When the transfer is from "a person who is not the registered holder, notice should be given to the registered holder in the "manner provided in paragraph 3 (i) (a) before change of registry is ordered. In cases however "in which a certificate of delivery of possession cannot be produced, as for instance, where on decree "passed possession is ceded without execution proceedings and the decree is apparently final, the "case should be dealt with as provided in paragraph 3 (i) (a) in regard to applications for change "of registry presented only by one of the parties to the transfer."

Page 86, Volume I, paragraph 5 of Standing Order No. 31.

Substitute the following for the paragraph :—

"5 (i) *Cases where no application for transfer is made.*—Clause (i) (a) of rule 3 and rule 4 above "deal with cases of absolute transfers of title in which one or both of the parties concerned apply for "change of registry. Cases of transfers in which neither party has applied to the Revenue Officers "for transfer of registry should be noted by the karnam of the village in a list in the form given "in Appendix XLV, which should be submitted every month to the Tahsildar or the Deputy Tahsil-"dar within whose jurisdiction the village is situated. The Tahsildar or Deputy Tahsildar "shall on receipt thereof issue notices to the transferor and the transferee and also to the patta-"dar where he is not a party to the transaction. Where all of them consent, change of registry "may be ordered at once. Where only some of them consent and the rest either object or are "silent the case should be dealt with in accordance with the rules laid down in paragraph 3 (i) (*a*) or "4 as the case may be.

"(ii) Every Firka Revenue Inspector must inspect every village in his firka once at least in "each half year and ascertain and dispose of every outstanding case of transfer of whatever kind in "the village either by passing final orders or by submitting a report to the Tahsildar or Deputy "Tahsildar as provided in paragraph 8 *infra*. Tahsildars and Deputy Tahsildars should check the "Revenue Inspector's work in one or two villages in each firka annually."

Page 86, Volume I, paragraph 6 (i) of Standing Order No. 31.

(ii) *Delete* the antepenultimate sentence.

If no declaration is filed, the "registry should be made as stated in the notice, at the expiration of three months. If a declaration "is filed, the result of the suit should be awaited before taking further action."

Page 87, Volume I, paragraph 7 of Standing Order No. 31.

(i) *Delete* the words "and to have paid the revenue" in the first sentence.

(ii) *Add* the following as a sub-paragraph :—

Page 87, Volume I, paragraph 8 of Standing Order No. 31

(i) *Substitute* the following for the third sentence:—

"The Collector, the Divisional Officer, the Tahsildar or Deputy Tahsildar may finally dispose "of all such cases and direct changes of registry either of his own motion or on the enquiry and "report of an officer not lower in rank than a Revenue Inspector."

(ii) *Substitute* the following for the last sentence:—

"A Revenue Inspector may, after making personal enquiry in the village where the land is "situated, dispose of all petitions, whether presented to him directly or received from the Taluk office, "in which there is no dispute, disputed cases being submitted to the Tahsildar or the Deputy Tahsil-"dar as the case may be, for orders."

Pages 87 and 88, Volume I, paragraph 10.

Sub-paragraph (i).

In the first sentence *substitute* the words "enfranchised whole and minor inams" *for* "enfranchised inam holdings."

Sub-paragraph (ii).

For "enfranchised inam holdings" *substitute* "enfranchised minor inams."

"(ii) *Joint registry of the names of transferees.*—Where a joint pattadar has transferred his "interest in a joint holding the name of the transferee may be registered jointly with the other "co-sharers, the transferor's name being removed unless his interest has been transferred only in part. "The consent of the other co-sharers is unnecessary but notice should be given to all the joint "pattadars in the manner provided in paragraph 3 (i) (a) and any objections raised by them should be "carefully considered."

"(iii) *Subdivision and separate registry of joint holdings.*—Sub-division and separate registry of a "joint holding may be effected at the instance of any one of the joint pattadars or the persons to "whom the whole or part of his share has been transferred, provided the shares are marked on the "ground by well defined boundaries. SECTION II.—GENERAL REGULATIONS.

(1) Forms of application for the different grades of scholarships awardable under this notification may be obtained on indent from the Director in the case of Arts Colleges, and from the Inspectors or Inspectresses in the case of other institutions.

(2) Applications for scholarships tenable in Higher Elementary standards and in Secondary schools shall be submitted to the Inspector or Inspectress, as the case may be, of the circle where the institution in which the scholarship is tenable is situated, by the head or manager of the institution in which the pupil studied in 1913 through the head or manager of the institution in which he intends to study, and through the inspecting officer who inspects that institution.

Applications for scholarships tenable in college classes shall be submitted to the Director by the head or manager of the institution from which the student went up for the examination through the head or manager of the institution in which he intends to study. In the case of applications for scholarships in the first year university class on behalf of students who have obtained secondary school-leaving certificates, the heads or managers of the institutions which such students have joined should not recommend more than three students who in their opinion are most deserving of scholarship and they should submit the secondary school-leaving certificates of such students along with their applications to the Director who will scrutinise the certificates with a view to the award of scholarship.

All applications should be dated. Separate forms should be used for each grade of scholarship. If one form is not large enough, the list should be continued on another form.

(3) All applications for scholarships should reach the Director, the Inspector or the Inspectress, as the case may be, within six weeks of the publication of this notification, or in the case of scholarships tenable in the University classes within three weeks of the publication of the results of the examinations on which the scholarships are awarded if such results are published after the date of this notification. Applications submitted after the prescribed date will not be considered.

(4) Scholarships tenable in Higher Elementary standards and in Secondary schools will be sanctioned by the Inspectors and Inspectresses at their discretion and subject to the conditions, if any, which have been specified in this notification; and those tenable in college classes by the Director. Scholarships remaining unappropriated in one circle may be utilized for additional scholarships in other circles. The transfer of such scholarships from one circle to another will be made by the Director, and Inspectors and Inspectresses will therefore furnish him, before the end of September next, with a statement showing the number of scholarships placed at their disposal, the number sanctioned by them under each head for the different classes of the community, such as Uriyas, Muhammadans, Moppillas, other backward classes, Indian Christians, Brahmans, Non-Brahmans, etc., and the number available for transfer. Any scholarships vacated in the course of the period for which it is tenable may be awarded for the remaining period to an eligible applicant in the same year of study as the holder of the scholarship vacated. *No new scholarship can be awarded to a student in the middle of a course.*

(5) The names of the selected candidates will be notified in the case of scholarships sanctioned by the Inspectors and Inspectresses in the District Gazette and in the case of scholarships sanctioned by the Director in Part I-B of the *Fort St. George Gazette*.

(6) Heads of colleges may grant leave without diminution or loss of scholarship for a period not exceeding one month to scholars who are absent in consequence of severe sickness; but if the leave exceeds this period, no scholarship is to be granted for the excess period. Casual leave without diminution or loss of scholarship may be granted for good and sufficient reasons for a period not exceeding fifteen days in the year, provided such leave does not immediately precede or succeed gazetted holidays. Under the above conditions, leave for scholarship-holders in schools may be sanctioned by the head of the institution who shall then report it to the Inspector or Inspectress concerned. If a scholarship-holder absents himself without good reason on the re-opening day after the vacation for the school or college, the scholarship for the vacation is liable to be withheld under the orders of the sanctioning authority.

(7) No person receiving a scholarship under this notification shall be permitted to hold any other scholarship provided wholly or partly by Government without the special sanction of the Director. Such sanction will be accorded only for very distinguished merit.

(8) In cases where the order of merit cannot be ascertained, or where the number of eligible candidates is in excess of the number of available scholarships, it is open to heads of institutions to hold a competitive examination in one or more subjects with a view to select the most deserving candidate.

(9) All scholarships tenable under the above rules are liable to forfeiture for idleness, misconduct, irregularity in attendance, or failure to make due progress or to secure annual promotion.

(10) A scholarship held in any class shall run from the beginning of the month in which the holder joins the class, and shall not continue to be drawn after he ceases to attend it.

(11) The scholarships are payable monthly and in advance.

(12) The scholarships sanctioned may, on the scholarship-holder's promotion to the next higher class, be either renewed or increased at the rates given above, provided the scholarship-holder's progress and conduct have been satisfactory. Applications for renewed or increased scholarship shall be submitted in the prescribed form. The instructions referred to above regarding the supply of forms and the date and manner of submission of first applications shall apply equally to the submission of applications for renewed or increased scholarships.

The scholarships already sanctioned to pupils of the third form of secondary schools under the Scholarship notification of the previous years may be renewed and increased in the fourth, fifth and sixth forms.

(13) In addition to the register required to be maintained under rule 60 of the Madras Educational Rules, an acquittance roll containing the following information shall be maintained by the heads of

UNIVERSITY CALENDAR.

The Calendar of the University for 1915 is now under preparation. That portion of volume II of the Calendar relating to the alphabetical list of graduates is carefully revised from year to year by the University Office. The Registrar will be obliged to graduates and others for information in the following form, to enable the office to correct the list and bring it up to date.

The Registrar will be glad to receive intimation from time to time of the changes in the occupation of graduates and of the names, if any, of the deceased graduates. Such information when given should be as complete as possible so as to enable the office to amend the list correctly.

(2) The rest of the Presidency with the exception of the Nilgiri district and the Wynaad taluk, Anjengo, Tangasseri and the Attapadi valley of the Malabar district.

(3) The Banganapalle State.

2. Tree-tapping licenses shall be issued on the application—

(a) of licensed toddy shopkeepers in areas in which the toddy shops are sold by auction or licensed separately;

(b) of persons having the exclusive privilege of manufacture and supply of cocoanut toddy arrack as foreign liquor;

(c) of tappers on their own application in the South Canara district, provided that the application for license is accompanied by an application for a permit for the transport of the toddy drawn to some particular shop and that the latter application is countersigned or acknowledged to be correct by the shopkeeper to whose shop the toddy is to be taken;

(d) of tree owners generally, and of sweet-toddy tappers in the Godavari district, and in the Narasapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the Kistna district, for not more than five trees in the case of tree owners and three trees in the case of sweet-toddy tappers, for the drawing of toddy required for domestic consumption, but not for sale;

(e) of toddy shopkeepers or renters in the Mysore territory and in the Banganapalle State desiring to obtain toddy from trees growing in British territory; and

(f) of toddy shopkeepers in the Pudukkottai State desiring to obtain toddy from trees in British Territory provided that the application is certified or countersigned by the Salt and Abkári Inspector of the State.

In cases (a), (b), (c), and (e) the licenses may be issued in the name of the applicant himself or of his nominee, and in cases (d) and (f) in the name of the applicant only.

3. Persons wishing to apply for the grant of tree-tapping licenses must first pay the fees (or the first instalment thereof, as the case may be) due on account of the trees which they desire to tap, into a Government treasury, which may be either the District treasury, a Taluk treasury or a Salt treasury. Divisional officers may also empower heads of villages to receive payments on account of tree-tax and to grant receipts therefor.

4. (1) Applications for the grant of tree-tapping licenses must be made in the prescribed form to the Inspector, Salt, Abkári and Customs Department, in charge of the circle in which the trees are situated. Forms may be obtained from the Inspectors of Salt, Abkári and Customs Department, and from all Tahsildars and Deputy Tahsildars and will be supplied free of charge. Applications put in by shopkeepers and tappers need not be stamped; those put in by other persons must bear a court-fee stamp of one anna. In any case, if the fees have been paid into a treasury, the application must contain a certificate of payment from the treasury officer; if payment has been made to a village head the receipt must accompany the application. Mysore renters and shopkeepers applying for trees in British territory should pay the tree-tax into the Mysore Amildar's treasury and should present before the British Tahsildar or Deputy Tahsildar concerned along with the application in form T. T. 6, the receipt with the Amildar's certificate at the foot to the effect that the applicant is a person entitled to take out a tree-tapping license in Mysore. The tree-tax should be calculated at the higher rate if the rates are not the same on the two sides of the frontier.

(2) Applications for tree-tapping licenses in the South Canara district should be countersigned by the owner of the trees intended to be marked in token of his consent.

5. Toddy shopkeepers in tracts adjoining the Mysore territory will also be allowed to tap trees in Mysore for the supply of toddy to their shops on payment of the whole of the tree-tax in one instalment into the British treasuries and subject to such restrictions regarding permits, etc., as may be prescribed in this behalf. The rate of tree-tax to be paid in such cases will invariably be the higher rate in force if the rate is not the same on the two sides of the frontier.

The British and Mysore Governments reserve to themselves the right to impose, in addition to the tree-tax, a rent for the use of trees belonging to them, the same when imposed being payable by British and Mysore licensees alike. The arrangements agreed to by the Madras and the Mysore Governments with regard to the issue of licenses for tapping trees in either territory on the application of farmers or shopkeepers in the other do not prevent the reservation of trees in any specified area in the Madras Presidency or in Mysore with a view to afford rest thereto or for other sufficient reason and the mere payment of tree-tax into a British or Mysore treasury does not entitle an applicant to tapping licenses for trees so reserved.

6. Toddy shopkeepers in British territory adjoining the Banganapalle State will be allowed to tap trees in the State on payment of tree-tax, the rate being the same as in the Kurnool district. Similarly those in the Banganapalle State will be allowed to tap trees in the adjoining British territory.

7. Persons applying for the issue of licenses will be responsible to Government for all sums payable as tree-tax on account of the trees licensed to be tapped.

8. (1) On receipt of an application, the Inspector, unless he sees special cause to the contrary, will at once take steps for the marking of the trees by an officer superior in rank to a petty officer and for the issue of the license. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the fees paid by them shall be liable to be forfeited at the Collector's discretion.

(2) In the Godavari district and in the Narsapur, Bhimavaram, Tanuku, Ellore and Yernagudem taluks of the Kistna district, trees intended for the drawing of fermented toddy and those for the drawing of sweet toddy shall, as far as possible, be in separate topes or blocks.

9. Collectors may, from time to time, prescribe the minimum number of trees to be entered in an original application. They may also direct that the trees situated in one village only shall be included in an application.

10. No trees shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree, until the tree has been marked by the proper officer.

11. For palmyra and date trees in the Presidency and for Dadasal (*Aranga Wightii*) trees in South Canara, tree-tapping licenses shall be annual, that is, in force from 1st October or any subsequent date to the 30th September immediately following, and for cocoanut and sago trees they shall be half-yearly, that is, in force from 1st October or any subsequent date to the 31st March immediately

following, and from 1st April or any subsequent date to the 30th September immediately following except in the case of the trees having been illicitly tapped, when the full tree-tax may be levied

12. The following shall be the fees payable on account of each tree for the tapping of which license is applied for :—

R. H. A. JOHNSTON,
Asst. Director of Survey, No. IV Party.

MADRAS PEARL FISHERY, 1914.

Notice is hereby given that a Pearl Fishery will take place at Tondi in the Ramnad district on or about 27th August 1914.

The Banks to be fished are:—

(a) The Tondi Bank estimated to contain 20,000,000 oysters, sufficient to employ 100 boats for twenty-five days taking average loads of about 7,000 per day.

(b) The Karangadu Bank estimated to contain 880,000 oysters, sufficient to employ 100 boats for one day's fishing.

2. Fishing will begin on the first favourable day after 26th August. It is therefore recommended that such boat-owners and divers as may wish to be employed should be at Tondi on or before 21st August.

3. Owing to the difficulty of controlling a large number of boats, the undersigned reserves the right to restrict the number allowed to take part in the fishery, and preference will be given to divers who work in the Government Chank Fisheries. As the fishery will be of moderate dimensions, it is calculated that the supply of local divers will be sufficient for all requirements. Divers from Ceylon and the Persian Gulf are therefore warned that if they attend, they will do so at their own risk. Owners should note that owing to the shallowness of the sea off Tondi, large boats drawing over two feet are not suitable.

4. Every boat-owner whose boat is accepted for the fishery shall sign an undertaking to observe the rules issued for the conduct of boats and divers during the fishing operations; a copy of these rules will be supplied to all applicants. To ensure the due observance of these rules a deposit of Rs. 5 for each diver employed in the boat shall be lodged as security by each boat-owner with the undersigned.

5. The fishery will be conducted on account of Government and the oysters put up for sale in such lots as may be deemed expedient.

6. Tondi is a seaport on the Ramnad coast. It is in weekly steamer communication with Pamban and Colombo and arrangements have been made for a *daily* steamer service from Pamban from 26th to 28th August inclusive. Tondi may also be reached by cart from Ramnad railway station (30 miles) and by sailing boat from Mandapam, Pamban, and Adirampatnam and Muttupet (Tanjore district).

The camp will be situated close to the town where supplies of water and provisions will be obtainable. Pearl merchants should be able to secure suitable accommodation in the town itself.

7. Payments for oysters to be in cash or in Government of India notes. Drafts on the Bank of Madras and Bank Agencies will also be received on letters of credit being produced to warrant the drawing of such drafts.

8. All further particulars may be obtained on application to the undersigned. Letters to him should be addressed to Tuticorin up to 18th August after which date they should be addressed to Tondi.

J. HORNELL,
Superintendent of Pearl and Chank Fisheries.

Tuticorin, 11th July 1914.

The shops and farms will be knocked down to the highest bidder, but the sale will be subject to formal confirmation of the Collector, who shall be at liberty to accept or reject any bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid, unless revised by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any officer appointed by him.

VIII. In case of dispute the selling officer's decision shall be final. If for any reason the highest bid is rejected, the next highest shall be taken, or the shop or farm re-sold at his discretion.

IX. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit † of half a month's rent (in addition to the deposit made under clause III) for each shop or farm unless the total deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause III will be forfeited and the farm or shop will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the defaulter will be debarred from bidding again for the same or for any other farm or shop.

X. Persons to whom farms and shops have been knocked down and who have made deposits as provided in clauses III and IX shall also deposit† such further sum as with the former deposits will make up two months' rent (to be paid within ten days from the date of communication of the Collector's acceptance of the bid) and shall, without unnecessary delay, execute the necessary engagements and take out licenses on the conditions hereinafter set forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the instalment exceed two months' rental the excess will be refunded unless the purchaser is required to deposit twice that sum under clause XI *infra*.

XI. If on enquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit two months' rental in addition to the sum prescribed in clause X *supra*, or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be stamped (article 34, schedule I, Act II of 1899) and registered at the expense of the purchaser if the amount secured exceeds Rs. 1,000.

XII. On the failure of any person to make deposit under clause X or to comply with the requisition under clause XI *supra* or to execute engagements and take out licenses as aforesaid, the deposits already made may be forfeited and the shop or farm re-sold under the orders of the Divisional Officer on the dates notified by the Collector or otherwise disposed of by the latter officer.

XIII. Re-sales effected under clause XII will be at the risk of the defaulting bidder, who will forfeit all gain, and, in the event of a loss, will be required to make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amounts payable by the successful bidder at the re-sale. In the latter case the forfeited deposits will be deducted from the loss arising from the re-sale, and the remainder, if any, will be recoverable from the defaulter in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposits be greater than the loss by re-sale, the whole of such deposits will be credited to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by re-sale and such disposal results in loss to Government as compared with original sale.

XIV. The purchaser of the privilege is liable to the penalties prescribed for breaches of the conditions set forth below, though a formal license may not have been issued to him.

XV. The deposit referred to in clause X or clause XI, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Tahsildar ‡ and the licenses so agree, it may be credited towards the last instalments of the kists payable by the latter.

The licenses issued under the above clauses will contain the following general conditions common to all abkári and opium licenses and the special conditions prescribed below:—

General Conditions applicable to all Abkari and Opium Licenses.

1. Contract suppliers of country spirits are prohibited from holding within their contract areas any interest in the retail vend of arrack or in the vend of other intoxicating liquors such as toddy, foreign liquor and beer, and from employing any person who has such interest. This prohibition does not extend to the wholesale supply of foreign liquor or of rectified spirit to licensed vendors; nor does it prevent them from holding an interest in the retail sale of country spirits in areas other than those for which they have been granted the supply contract, or from holding ganja and opium shops either within or without their contract areas. Brewers are prohibited from having any interest either direct or indirect in the retail vend of beer throughout the Presidency.

2. The limits within which sales under any abkari or opium license may be carried on will be specified by the Collector at the time of the grant of the license. The sale or possession (except subject to the rules applicable to unlicensed persons) of liquor, opium or intoxicating drugs outside those limits is prohibited.

3. Sales must be conducted in a suitable building of which the whole or part must be entirely set aside for use as a depot or shop. If there are means of communication between the depot or shop and an adjoining dwelling-house, they must be kept locked at sight. In the case of arrack shops and taverns in municipalities, or towns having a population of 20,000 and over, the shop premises shall have no doors except into the main street; there shall be no possible means of ingress or egress in any other direction; the interior of the shop shall be sufficiently lighted by day and the shop shall not be used as a place of residence save by the vendor and his family or caretakers.

4. Except in the case when two or more foreign liquor licenses are held by one person, sales under each license issued must be in different premises (chemists and druggists and medical practitioners excepted). The possession upon any licensed premises of any liquor, opium or intoxicating

*This order is not intended to debar relatives of village officers from holding abkari and opium shops which are not situated in or near or which do not supply villages in which the village officers themselves are employed.

† Deposits may be in cash or other approved security. ‡ Includes Deputy Tahsildar in independent charge.

drug except that to which the license relates, or of any essence or substance used or capable of being used for colouring or flavouring liquor except in accordance with the terms of a compounding license is prohibited. But intoxicating drugs made from opium or the poppy other than morphia or preparations for smoking may be prepared and sold in shops licensed for the sale of opium. In shops which are clearly of a superior character private bars may be sparingly allowed by the Collector, under a special license to be granted by him free of fee, provided that the interior of the bar is wholly visible from the doorway and that the entrance to it is either through the main door of the shop or through a separate door clearly labelled, or provided with a proper signboard to show its nature.

5. A signboard must be affixed to the front of each depot or shop showing the nature and number of the license under which sales are conducted there, the name of the licensee and (except in the case of foreign liquor) the current rate of sale. These particulars must be legibly painted in the local vernacular and, in the case of taverns and wholesale depots, in English also. The license must be hung up in a conspicuous place within.

6. All liquor, opium and intoxicating drugs sold or kept for sale shall be of good quality and unadulterated. Nothing shall be added to opium and intoxicating drugs either to increase their intoxicating power or for any other purpose except the manufacture of intoxicating drugs in accordance with the terms of a license. Nothing shall be added to liquor except in compounding or blending in accordance with the terms of a license. Liquor shall not be bottled except in accordance with the terms of a bottling license. Nor shall different kinds of liquors be mixed and sold under the denomination of one of them. All officers authorized to inspect depots and shops (*vide* condition 25 *infra*) are authorized to detain any liquor, opium or intoxicating drugs found unfit for consumption or use, or which they may believe to have been tampered with in any way, and all Collectors and Deputy and Assistant Commissioners of the Salt, Abkari and Customs Departments are empowered to confiscate or destroy any liquor, opium, or intoxicating drugs unfit for consumption or use or which have been tampered with and all liquor to which liquor of another description has been added and which is being offered for sale under the name of one of the liquors so mixed.

7. The sale or transport of liquor, opium or intoxicating drugs by persons below the age of 16 or by persons suffering from leprosy or any contagious disease and the employment of such persons in shops or depots for the sale of the same are prohibited. The Divisional Officer may, when necessary, call for the names of all persons employed or proposed to be employed in depots or shops and forbid the sale of liquor, opium or intoxicating drugs by any person of whom he may disapprove.

8. No depot or shop shall be opened before sunrise or kept open after 9 P.M. except under special authority. In Madras sales after 9 P.M. will be allowed only in special cases under separate licenses and on payment of such fees as may be prescribed by the Collector. Power is reserved to Collectors on the report of the Police or for other sufficient reasons to order the closure of any particular shop either in towns or in the country at 8 P.M. or even at an earlier hour, if they consider such a course to be advisable in the interests of the public.

9. No drunkenness, disorder or gaming shall be permitted in depots or shops. Entertainments of any kind in depots or shops are also strictly forbidden.

10. No robbers or thieves or disorderly or riotous persons shall be harboured in depots and shops. Intimation of their resort thereto shall be given to the nearest Magistrate or Police officer.

11. No person shall be harboured in any depot or shop during the night.

12. Depots and shops situated on or adjacent to the line of march must be closed, if the Collector so orders, while a regiment or detachment of European or native soldiers is passing or is encamped in the vicinity. Collectors or Divisional Officers shall have power also to close any shops temporarily in times of religious excitement or disturbance. Every depot and shopkeeper shall on his own motion close his depot or shop when there is riot or disturbance in the neighbourhood.

13. Collectors may order the transfer of depots and shops from one locality to another or their closure or the opening of new depots and shops within limits as to number to be fixed by the Board of Revenue in their discretion. But no new shops should be opened unless notice of the sites selected has been published in the District Gazette six months before the commencement of the lease and no such changes as affect the interest of adjacent shopkeepers shall be made during the currency of a lease except under special sanction of the Board. Tahsildars may at any time permit the transfer of a shop within the limits notified for the shop in the sale notice.

14. The right is reserved to the Collector to grant "Occasional Licenses" for the sale of liquor, opium and intoxicating drugs, on the occurrence of fairs, festivals, etc., only in places in the vicinity of which there are no regularly licensed shops. This power in regard to country spirits and toddy may also be exercised by Divisional Officers. Such licenses should be issued only when absolutely necessary and shall ordinarily be granted to the shopkeepers who usually supply the locality or to the representatives of the renter. The licenses shall run only as long as they are actually required not exceeding ten days. Not more than one license shall be issued for a fair or festival without the sanction of the Board. The fees to be paid for the licenses shall be fixed at the discretion of the officers issuing them.

15. No liquor, opium or intoxicating drug shall be sold or given—

(*a*) Except at shops specially approved by the General Officer Commanding the Division (or Independent brigade) or the Officer Commanding the Cantonment or Camp, and then only in respect to such liquors as shall be approved by the same authority in consultation with the local Excise authorities and specified in the license—

(1) to sailors of the Royal Navy, soldiers and members of their families, or

(2) to any other person living in barracks;

(*b*) (1) to persons whom a vendor knows, or has reason to believe, to be camp followers, *i.e.*, all class of followers (other than private servants) whether on or off duty, who have a right to be in cantonments;

(2) to Policemen, Excise officers and Railway servants when on duty; or,

(*c*) in any circumstances to any—

(1) European vagrant under escort of the Police;

(2) child under sixteen years of age;

(3) insane person; or

(4) person known or believed to be intoxicated.

Note.—The restrictions in (*a*) and (*b*) do not apply to Native soldiers, their families and followers when they are absent on leave from their regiments.

16. No privilege of supply or vend shall be sold, transferred or sub-rented without the Collector's previous permission. Nor, if the Collector so orders, shall any agent be appointed for the management of any such privilege without his previous approval.

17. No holder of any abkari or opium license will be allowed, without special permission from the Collector, to possess any interest in any abkari or opium license in any Native State or foreign territory or in any British territory where a low rate of duty is in force and which is adjacent to the district in which he holds his license.

18. Depots and shops must be kept open unless their temporary or permanent closure is authorised under condition 12 or 15 *supra* and such supply of liquor, opium or intoxicating drugs as the Collector may consider sufficient to meet local requirements must be maintained thereat. Shops not opened by dates to be fixed by the Collector shall be liable to be re-sold at the risk of the licensee.

19. No liquor, opium or intoxicating drug shall be sold in shops except for cash. The licensee shall be bound to give intimation of the offer of anything other than cash to the nearest Magistrate or Police officer. This condition is not, however, meant to restrict credit sales in the ordinary course of business by shopkeepers or Arms of standing and respectability dealing in foreign liquor for consumption off the premises.

20. No liquor, opium or intoxicating drug shall be sold either below or above such minimum * or maximum † prices as may be fixed for sale of the same in accordance with the law for the time being in force.

21. No liquor, opium or intoxicating drug in excess of the quantity prescribed ‡ for possession without a license shall be permitted to be removed by any person at any one time from any licensed premises without a valid permit; nor shall liquor or intoxicating drug be sold at wholesale depots in quantities less than the minima prescribed.

22. True accounts of transactions shall be maintained from day to day in ink in the prescribed form. The accounts and permits shall be in printed books. The account books may be obtained from local Revenue officers on payment of cost price. The permit books can be obtained at all Circle offices on production of receipts for the payment of the cost price into a Government Treasury. Permits for liquor, opium or intoxicating drugs received and the counterfoils of permits issued must be carefully filed. The signing of blank permits for subsequent issue is prohibited. The accounts and counterfoils of permits shall be preserved for one year after the period covered by the license and shall be produced when called for by an officer not below the rank of Assistant Inspector of the Salt, Abkari and Customs Department.

23. Such returns and information as may be required by the Divisional Officer from time to time shall be furnished by holders of licenses.

24. Only such weights and measures as may from time to time be prescribed by the Commissioner of Salt, Abkari and Separate Revenue shall be possessed or used on any licensed premises and they shall be tested and stamped by the stamping establishment of the district of the Collector shall so direct. The possession or use of weights or measures that are incorrect on any licensed premises will render the licensee liable to punishment.

25. The officers authorised to inspect licensed shops and depots are—

(1) any officer of the Revenue Department of rank not lower than Revenue Inspector, and

(2) any officer of the Salt, Abkari and Customs Department of rank not lower than Sub-Inspector.

These officers are empowered to enter and examine the premises, to test weights and measures in use and the liquor, opium and intoxicating drugs in the possession of the licensees, and to call for and check the accounts kept in the shop or depot. Police officers will also make inspections when it comes within the scope of their duty.

26. An inspection note-book, with the pages numbered consecutively, for inspecting officers to enter their remarks in, shall be maintained, and be handed over to the Inspector of the circle or any officer authorised by him to receive it on a receipt being given therefor.

27. The amount for which the privilege has been purchased shall be payable in twelve equal monthly instalments into a Government Treasury on or before the 10th § of each month beginning with April or October as the case may be. Fees for depots should be prepaid.

28. No remission or abatement of the rent shall be claimable on any account whatever.

29. Any sum due by a licensee may be collected ‖ under the Revenue Recovery Act or adjusted from the deposit, if any, made by him at the commencement of the lease. He shall be bound to replace any sums adjusted from his deposit within fifteen days of receipt of notice from the Tahsildar. ‖

The purchaser of a privilege is liable to the penalties prescribed in this condition if he is convicted of any such offence as above contemplated after the confirmation of the sale of the privilege to him though before issue of a formal license. Forfeiture of any license under this clause shall involve forfeiture of the balance of all deposits after payment to Government of all sums due under the lease.
